- Understand customer needs and requirements and present appropriate solutions from Kanishka Software's offerings.
- Maintain a robust sales pipeline and achieve monthly, quarterly, and annual sales targets.
- Collaborate with the technical and presales teams to create tailored proposals.
- Prepare and deliver effective presentations and product demonstrations to prospective customers.
- Build strong long-term relationships with new and existing clients to drive repeat business and referrals.

- Participate in marketing activities like webinars, exhibitions, and events to generate leads.
- Keep abreast of market trends, competition activities, and industry developments.

### **Key Requirements:**

- Bachelor's degree in Business Administration, Marketing, or a related field.
- 2–5 years of experience in B2B Sales, preferably in IT/Software Products or Services.
- Proven track record of meeting or exceeding sales targets.
- Strong communication, negotiation, and interpersonal skills.
- Good understanding of software solutions, SaaS products, and custom application development will be an advantage.
- Self-motivated with a results-driven approach.
- Ability to manage multiple accounts and priorities effectively.
- Familiarity with CRM tools and basic sales reporting.

### **What We Offer:**

- Competitive salary with attractive incentive structures.
- Opportunity to work on innovative and impactful solutions.
- Dynamic and supportive work environment.
- Professional growth and career advancement opportunities.
- Exposure to enterprise-level clients and large-scale projects.
